## **2011-12 COACH REGISTRATION**

All Head coaches shall register online yearly with NJB Headquarters and complete the proper requirements via the National web site. All coaches must be approved by the local chapter board. The registration fee is \$15 per coach.

The fee will include the following:

- 1) Online registration with NJB Headquarters.
- 2) Yearly test online- all coaches must pass to receive their qualification and Coach Card.
- 3) Video instructions for training purposes. This will be a secure site only for our coaches.
- 4) Live Coach clinic- all coaches must attend a yearly clinic to receive their qualification and Coach Card.
- 5) NJB Coach Booklet- the tool for success with many drills and skills for the team.
- 6) NJB Coach Rule Book.
- 7) Discount cards with NJB vendors and merchandise with special discounts
- 8) Child Molestation background check.
- 9) Liability Insurance during NJB events. This is a first for our coaches!!
- 10) Membership Coach Card to be presented to game officials prior to each contest.

Coaches must do the following to receive the yearly Coach Card.

- Register online with NJB Headquarters
- Pass the certification test
- Attend a yearly live clinic
- Pass a LiveScan screen - The LiveScan is a one-time screen for NJB. It is good for their NJB coach career

The above is a special package for our NJB Head coaches. NJB Headquarters requires all head coaches and assistant coaches to pass a LiveScan in order to coach and sit on the bench. **Only the Head coach must register yearly** with NJB Headquarters and they must have a NJB Membership Coach Card to be official on the bench.

The cost of the Coach Registration is \$15 per year. We recommend that chapters either increase the team sponsorship fee to \$275 instead of \$250 or add \$2 per player to your upcoming registration fee for the season to cover the extra cost for the head coach.

The Coach online system will be ready for registration on September 15<sup>th</sup>. Our staff will keep you updated on the progress.

Thanks for the cooperation and support as we take our coach registration to the next level. The new online system will be available to all Chapter Directors in order to review your chapter coaches information. Private passwords will be given to each CD in early September.

Enjoy your summer and see you soon on the court!

Dennis Murphy  
Commissioner

An additional clarification message:

9/1/2011

Hi all,

All head coaches will be required to register and pay the fee for the upcoming season. After the completion of the requirements - the coach will receive the Coach card to present prior to each contest to the game referees.

The stance from NJB Headquarters is that NO head coach can sit on the bench without the coach card.

I hope this helps as we get ready to splash the Coach Registration soon for our members.

Thanks,

Dennis
